

Not all procurement solutions are created equal...

Mavin is a leading Enterprise IT Services and Solutions Provider, referenceable within the Public, Private, Educational and Defence sectors.

Our latest innovation to create headlines is Mavin's Procurement Portal - MPP. Think of it as the Swiss Army Knife of Procurement Portals... Multi-functional simplicity at its finest. Engage simply and efficiently with Mavin's MPP and all your IT requirements via the fully compliant POISE (Public Sector) Framework.

Dynamic, compliant, efficient procurement for the Education Sector

The POISE Framework, created by Brunel University, operates as a fully compliant, agile and efficient procurement strategy 'One-Stop-Shop' for all IT orientated products and solutions.

Open to all Public Bodies, POISE is extremely easy to access, free to use, with no commitment and fully supported by an expert procurement team.

Come and find out about Mavin's Revolutionary Procurement Solution and the Poise Framework Solution for the Public Sector on Stand 29
